

VILLAGE SQUARE DENTAL CENTRE

The staff at Village Square Dental would like to take this opportunity to welcome you to our practice. We appreciate your confidence in choosing us for all your dental needs. It has always been our goal to provide our clients with the best quality of dentistry in a caring and compassionate environment.

In order to accommodate all of our patients in an organized and timely matter, we pre-book your next re-care and scale appointment before you leave from your current appointment. We are understanding of the fact that you do not know your schedule that far in advance, so we give you a 2 week reminder followed by a 2 day prior confirmation. We offer confirmation of appointments by phone, texting and emails. To avoid numerous messages, we do require a response back from you to confirm the appointment time that we have reserved on your behalf. Our office policy requires 2 working days notice for rescheduling or cancelling appointments in order to avoid a cancellation fee. This policy allows us enough time for scheduling and accommodating all of our patients that are in need of treatment.

Sometimes emergency visits are required, and depending on your flexibility we will accommodate you as quickly as possible for your dental need and to relieve you of any discomfort. We have four doctors on staff, Dr. Mike D'Agostino, Dr. Peter Phillips, Dr. Luca Pagnotta and Dr. Andre Boersma.

Our office does accept assignment from your insurance company if they permit it, although we do require the balance not covered from your insurance to be paid the day of the appointment. We can send estimates to your insurance company for treatment needed on your behalf, but it is your responsibility to know what your plan covers. We book appointments based on the best treatment option for you and not by what your insurance company covers.

We are serious about providing superior dental care and are proud of our dedication to our patients. Our goal is to help you feel and look your best through excellent dental care.
